Prayer for Vocations

Loving God,
With one voice we lift up our hearts
to thank you today for our lives,
our vocation and all your gifts to us.
Inspire us all to know and live our vocation.
Give courage to young people,
to listen and follow the call,
to serve you in the Archdiocese
as your priests, religious and lay ministers.
Bless us, your family of Brisbane
Help those you call to listen
to what your Holy Spirit is saying to us.
Guide them to serve in your vineyard
that they may fulfill your holy will
and make all things new.
Through Christ our Lord. **Amen**

Have you thought? The harvest

This gospel is often used to make a point about the need for vocations to priestly and religious life. Jesus makes the comment that "the harvest is rich but the labourers are few." This image of labourers in the harvest is often applied to the work of priests and other religious vocations. However apt the image may be, when we read it in the context of the whole passage we can see that this sending out of the 72 was a general challenge to live out the call to discipleship – to go out into the world and bring about the kingdom.

LIVING THE GOSPEL

Discipleship

Today's gospel passage immediately follows the passage used last week that spelt out the difficulties of discipleship. Having explained how hard it is to be a disciple, Jesus sends his followers out to 'have a go' at being a disciple. When they come back successful he tells them not to be boastful or proud at their achievements but rather to be happy that their "names are written in heaven". In other words, anything they accomplished was because they were 'known' by God and that God was working through them. Disciples make themselves 'known' to God and God works through them to accomplish great things!
